Greetings Sarah!

“Zip Up” ideas for your next tour!

Try the [Zip line at Refreshing Mountain Camp](#) - a great “High Adventure” activity for your group or reunion, and a great activity for students! Harnessed participants will “zip” between platforms through the “canopy” of over 20

varieties of trees on this scenic course. See how your angle of perspective changes your perception! Also available in this lush mountain setting: a high ropes course, climbing tower, giant swing, archery, hayrides, teambuilding activities, a paintball obstacle course, and much more.

Back to school?

See the Fisher One-Room Amish School with many authentic items as part of the Amish Country Homestead tour at the [Amish Experience](#). Sit at actual desks that came from a local Amish school and enjoy this added bonus as part of the regular tour through the rooms in the Homestead. It's the only Amish house tour to receive Heritage Site status from Lancaster County.

- Say "Yes, Chef!" when your group stays at the [1867 Inn at Leola Village](#) and participates in multi-course cooking demonstration classes.

Dreaming of a holiday tour in August...

If you live where the weather is hot right now, it's hard to think of a time when we had cold weather and snow. But it's not too early to be thinking about a holiday tour to Lancaster County. Take in a [holiday show](#), or hear of traditions and legends during a visit with "der Belsnickel" at [Landis Valley Village & Farm Museum](#).

Take a nostalgic walk through the [National Christmas Center Family Attraction & Museum](#). This local treasure has been featured on the Martha Stewart show as well as the Travel Channel!

See the home of Pennsylvania's only president, [President James Buchanan's Wheatland](#), decorated for the holidays, or if your group is visiting over a weekend, check out Old Fashioned Christmas Friday Nights and Saturday Holly Days at [Kitchen Kettle Village](#).
